Case No CR 05-0043 RAW
TERMINATION and NOTICE OF
Termination of standby Counsel
for cause

Jimmy Clayton Chisum hereby and herewith permanently and finally terminates all Attorney Client relationship to Steven J. Knorr, appointed by this court for its own purposes in this case.

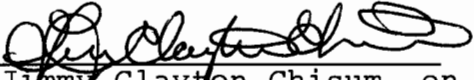

Knorr did not at any time represent the defendant, defencant position, or defendant interest in being found not guilty or exhon- orated from this case and cause.

Knorr has at all times pertinent to this case argued against the interest and positions of theory of defense and law furnished to the court by the defendant, and has from beginning to end acted in Conflict of interest against the defendant and for the aid and comfort of the prosecution and the court in direct prejudice against the right to effective assistance of counsel, as expounded by the Supreme Court in its decision Cuyler v Sullivan, 446 US 335 (1980). Acting against the interest of the client in pro government rederick, argument against the client and for the prosecution position is precisely what the court determined was inadequate counsel.

Therefore Knorr is terminated from all relationship to this defendant and all parties are noticed of the termination.

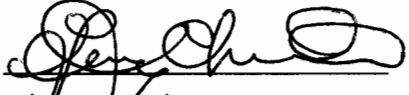

Notice is further given that defendant stands now as an unrepres- ented natural person of full right before this court.
