Civil Action No. 2:2010 CV 1413 PHX-NVW SRB

AMICUS CURIAE MOTION IN SUPPORT OF THE STATE OF ARIZONA AND GOVERNOR JANICE K. BREWER

LD

Petitioner, Ray Elbert Parker, hereby files the above captioned motion in support of the defendants in this cause of action, and petitioner moves this honorable court to grant his motion and to accept his good faith brief as a friend of the court.

Petitioner is a participant in the case of The Commonwealth of Virginia v. Kathleen Sebelius, Secretary of Health & Human Services, CA No. 3:10 CV 188 HEH in the United States District Court for the Eastern District of Virginia, Richmond Division. Virginians have a genuine interest in adopting Arizona's immigration law as its own and, therefore, a decision by this honorable court will establish a first precedent affecting not only Arizona, but other states who are dealing with the conquering of America without a single shot being fired in her defense. America's border with Mexico includes Texas, Arizona, New Mexico and California, not just

*Arizona*. Currently, it is estimated that 500,000 *illegal* immigrants now live in Arizona with a half million more invading that state every year.

Petitioner respectfully submits that the above captioned action, and the six other pending cases on the docket of this court challenging SB 1070, should be dismissed, *with prejudice*, for reasons stated in the brief attached hereto, which is incorporated herein pursuant to Rule 10 (c) of the Federal Rules of Civil Procedure.

Respectfully submitted,

/s/
