Case No. CR-05-043-WH

ORDER

Before the Court is the motion of the defendant to stay sentencing pending the Supreme Court consideration of certiorari [sic] on collateral issue appeal. The Court previously denied defendant's motion to stay the trial of this case while defendant pursued his interlocutory appeal, and the Court sees no reason (and defendant has cited no authority) for a different ruling at this time.

The Court also has doubts regarding defendant's statements in ¶17 regarding lack of danger to the community or flight risk. It is the Court's understanding that defendant has been evasive with the Probation Office (in its preparation of the Presentence Report) regarding his business and assets.

It is the Order of the Court that the motion to stay sentencing (#80) is hereby DENIED.

ORDERED THIS 13th DAY OF FEBRUARY, 2006.

RONALD A. WHITE
UNITED STATES DISTRICT JUDGE
