OS CR 0043 RAW
28 USC 753 (F)
Motion for transcript
at government expense

Defendant/Appellant hereby moves for a court order to produce transcript at government expense.

Defendant is incarcerated and has insufficient money to pay for transcript. The filing fee for the appeal was a hardship.

Defendant/Appellant was approved to proceed *in forma pauperis* before the U.S. Supreme Court in 2005; affidavit is in the probation record.

Defendant was put out of business and has had no money other than charity from friends for months.

Standby council is appointed at government expense.

The need for judicial due process necessitates the acquisition of the sentencing transcript from 6 July, 2006

Defendant has relied on charity from friends and family to acquire all the other transcripts in EDDK and those are already a part of the record.

Wherefore defendant/appellant moves the court for the sentencing transcript to be produced at the government's expense.
