Civil No. CV 09-00444-PHX-SRB  
NOTICE OF ARRIVAL OF  
DOCTOR'S LETTER

COMES NOW Elmer P. Vild, Trustee for the D L P LT13 contract in the form of a trust proceeding without the assistance of counsel relying on *Haines v. Kerner* and other U.S. Supreme Court decisions that hold pro se litigants cannot be held to the same standards as an attorney and the lower courts must point out any defects and allow a pro se litigant sufficient time to correct any defects. And, that the pro se litigants' pleadings are sufficient to call for an opportunity to be heard.

Please find enclosed a letter sent to me from Mexico that arrived today. The letter is written in Spanish, but this Defendant has been informed that the letter states that Maria D. Forman is sufficiently disabled to have the ability to handle any legal matters on her own behalf. If the letter states anything like that, this Defendant will await the Court's reaction and subsequent Orders that may follow. The said letter is enclosed and the Court may label it in any manner that is appropriate.

This Defendant additionally requests that the Court send the Plaintiff and all Defendants a copy of the letter after the Court has it translated.

Respectfully submitted this 17<sup>th</sup> day of June, 2010.

Elmer P. Vild, Trustee
