A

1834

1835 Q: Okay. I got to see those - I like the Matrix one. It's all (unintelligible).

1836

1837 A: Yeah, and then, uh - and then also, uh, what's his name? Uh, the Morpheus character
1838 is, uh - (Clarence) Fishbourne he's in the movie too.

1839

1840 Q: Huh.

1841

1842 A: Yeah, and that's like his signal buddy.

1843

1844 Q: Yeah, that's cool, kinda linked it to together and...

1845

1846 A: No, not really...

1847

1848 Q: Kinda at the same time?

1849

1850 A: ...but it's interesting that they had given (unintelligible) same time. That's also
1851 (unintelligible), lake, I guess there was probably some desire on the characters to
1852 probably to work with each other again.

1853

1854 Q: Have you worked with (unintelligible)?

1855

1856 A: Yeah, I know, let's check it out.

1857

1858 Q: It's like a space tent or something?

1859

1860 A: No, it's just a - just a heavy duty tent, you know, it's like it came - you know,
1861 (unintelligible).

1862

1863 Q: Oh, okay.

1864

1865 A: You got a weapon there?

1866

1867 Q: I gotta look, you know, and then the thing they have these that are - you know you can
1868 pull 'em apart and it has a knife in it...

1869

1870 Q: Oh, yeah.

1871

1872 A: ...and it has compartment in it, but I don't wanna have - you know, you go in a Ford
1873 or...

1874

1875 Q: Oh yeah.

1876

1877 A: ...something, I mean I can get the tent but - yeah. That'd be like 100%.

1878

1879 Q: (Unintelligible).

1880

1881 A: So, I would have friends with me and, you know, I mean I'd...

1882

1883 Q: Little jabber?

1884

1885 A: Yeah 'cause (unintelligible). I - I - I do my best to - you know - screw with anybody who
1886 I don't feel safe around.

1887

1888 Q: Yeah.

1889

1890 A: And then - put it back...

1891

1892 Q: Yeah, (unintelligible).

1893

1894 A: ...something - something (unintelligible). You know, I mean not - just for whatever
1895 reason.

1896

1897 Q: Yeah.

1898

1899 A: You know, it could be a random person...

1900

1901 Q: Yeah.

1902

1903 A: ...you know...

1904

1905 Q: Well, especially if you're walking around, somebody see you have the money, decides
1906 to walk up and...

1907

1908 A: Right - right - like I was at, uh - I was at the - I was at the (unintelligible) one day, and I
1909 was doing this deal with this guy and he was - he was like, talking at random and so I
1910 don't even talk back.

1911

1912 Q: Yeah.

1913

1914 A: But, uh, so we do the deal with this guy - he texts some guy, walks up, he goes "Hey,
1915 uh, you know, I wanna know what kind of business you guys are doing and I - I'm a
1916 real hard worker..."

1917

1918 Q: He asked you to talk to you about it?

1919

1920 A: ...bi-lingual and..." you know, this and that. I'm like "Oh okay."

1921

1922 Q: Yeah.

1923

1924 A: You know, "When I'm done with this guy, I'll - I'll talk to you."

1925

1926 Q: Yeah.

1927

1928 A: And so he comes in, uh, (unintelligible) my guy leaves, he comes in, we talked for a
1929 minute, like, hey, you know, what's bitcoin, I explained to him what it is.

1930

1931 Q: Yeah.

1932

1933 A: I go, "Do you have a cell phone?" "No." Do you have a car? "No." I'm like, "Okay, well
1934 here - I'll - I'll give you our website, you can go look something up if you access at
1935 home, you know, who knows, maybe, whatever." I'm just...

1936

1937 Q: Yeah.

1938

1939 A: ...I - I don't like to discount anything...

1940

1941 Q: Yeah.

1942

1943 A: ...but you never know.

1944

1945 Q: Yeah.

1946

1947 A: Uh, and then - and then I'm coming to, uh, and then I pick up my stuff and I'm just
1948 Leaving and he goes, "Here, I'll walk to you to your car."

1949

1950 Q: Huh.

1951

1952 A: Exactly. I'm like,

1953

1954 Q: "Here, let me see what you're driving and get you a loan."

1955

1956 A: No, I just - you know, it's like, "I gotta go to the bathroom," you know...

1957

1958 Q: Yeah.
1959
1960 A: ...so it's like, but - the thing is that that was...
1961
1962 Q: Right.
1963
1964 A: ...you know, a little too fishy, I mean, I don't know what his intentions were, but it was a
1965 little too fishy for me. I can certainly walk myself to the car, I don't know who the fuck
1966 you are.
1967
1968 Q: Yeah.
1969
1970 A: Uh, and then...
1971
1972 Q: It's been slow today.
1973
1974 A: Oh, well, it's - yeah, it's only been a few minutes but whatever, I mean - and then there
1975 was there was this one time, I'm like - I'm at McDonald's, another McDonald's...
1976
1977 Q: Yeah.
1978
1979 A: ...and I'm walking up and there's this guy and he's like, opening the door for people out
1980 - clearly he hasn't had - had a bath in a few weeks or whatever, I mean...
1981
1982 Q: Right. Trying to get tips or something?
1983
1984 A: I have no idea and - and he's like, apparently, "I - I got it, man, don't have to open my
1985 door," uh, you know. I - I mean I like to (unintelligible) I mean I was in a deal the other
1986 day, the guy strikes up a conversation with me and my guy, he goes "Oh, you happen
1987 to have some money so I can buy something to eat," so I was like, "Right here." Just
1988 50 cents.

1989

1990 Q: Yeah.

1991

1992 A: You know, but - I'm not gonna do it at night...

1993

1994 Q: Yeah. Exactly.

1995

1996 A: You know, I - I mean - the guys that are paying at night, I'm like, what are you doing all
1997 day long. Don't you know you're hungry during the daytime?

1998

1999 Q: Yeah.

2000

2001 A: And you're paying to get nights?

2002

2003 Q: Yeah.

2004

2005 A: Gosh, where - where did you - what school of pain did you go to?

2006

2007 Q: Yeah.

2008

2009 A: So...

2010

2011 Q: Yep, can't trust people anymore. Never know.

2012

2013 A: Well no, it's just you gotta - you know, especially in this business you gotta, like, trust
2014 people...

2015

2016 Q: Yeah.

2017

2018 A: ...like - no, you gotta keep your eyes out.

[REDACTED]

2020 Q: Yeah, you gotta trust people that can do this but, like, random people, that's, like,
2021 guaranteeing...
2022
2023 A: Well...
2024
2025 Q: I don't want to be walking somewhere, turning around, and stacking cash and...
2026
2027 A: Yeah.
2028
2029 Q: ...the wrong guy can't handle it on the side of...
2030
2031 A: Right, yeah, you never know or just - just - you gotta be careful.
2032
2033 Q: Yeah. Because...
2034
2035 A: I like - I like helping people.
2036
2037 Q: Yeah.
2038
2039 A: But I don't want it - you gotta be way out - just a cost versus benefit analysis of doing
2040 this.
2041
2042 Q: Yeah.
2043
2044 A: It's an operation. You know. 'Cause you never know how people change or...
2045
2046 Q: Oh yeah.
2047
2048 A: ...like - or they - you know, they deceive you with their intentions, like, I remember I
2049 was - I was coming back from Florida to Arizona...
2050

2051 Q: Uh-huh.

2052

2053 A: ...and I'm flowing through - I just get into, uh, Alabama, and this guy, he's like on the
2054 side of the road and it's like - I don't know, like, midnight or something, like...

2055

2056 Q: Yeah.

2057

2058 A: ...rolled down my window, "Hey, man, what's going on?" Oh, he gave me two
2059 (unintelligible), "You - you wanna kill me? Are you gonna rob me? No? Okay, hop in
2060 the car."

2061

2062 Q: Yeah.

2063

2064 A: And he goes, "Well, I'm going to - going to New Orleans," I'm like, "Okay, I'll take you
2065 to New Orleans." I was talking shit and this is right when Katrina came through...

2066

2067 Q: Ah.

2068

2069 A: ...you know, just fucking wiped the whole place out...

2070

2071 Q: Yeah.

2072

2073 A: ...seemed like - I'm not in New Orleans anymore, I'm gonna check out the devastation.

2074

2075 Q: Yeah.

2076

2077 A: And, uh, he's, uh - I mean we - I find this guy and I go, "Could you show me where's
2078 the worst devastation near ya?" We go down this road, and then you know, I'm like,
2079 "Here it goes, here - I'll - I'll - follow me."

2080

2081 Q: Yeah.

2082

2083 A: So I follow 'em out there and - I mean, it's just like the fucking place been carpet
2084 bombed.

2085

2086 Q: Mm-hm.

2087

2088 A: No, really.

2089

2090 Q: I never seen it.

2091

2092 A: No, it was...

2093

2094 Q: Just pictures and things.

2095

2096 A: It was - you know, usually, you know, the pictures do not do things like that justice.

2097

2098 Q: Huh.

2099

2100 A: I mean, you got cars on top of houses, you got houses on top of cars, I mean it was - it
2101 was really out of, you know, one of those things that, you know - you know, it's like a
2102 B-52 just ran through it

2103

2104 Q: Yeah.

2105

2106 A: ...and blew the shit out of it. But anyway - and so, um, this thing (unintelligible) - I'm
2107 taking him to where, like - to New Orleans, the center...

2108

2109 Q: Yeah.

2110

2111 A: ...where (unintelligible)...

2112

2113 Q: Yeah.
2114
2115 A: ...and he's like, hating that guy and apparently the cops stole his van, old - school, you
2116 know...
2117
2118 Q: (Unintelligible)?
2119
2120 A: Yeah. Yes, of course.
2121
2122 Q: Yes.
2123
2124 A: Yeah, you know, so whatever (unintelligible)...
2125
2126 Q: Right.
2127
2128 A: ...you own a driver's license...
2129
2130 Q: Oh the motor - oh, the (unintelligible)...
2131
2132 A: But anyway - but he, uh - and then, so we're, like, going down the road, there's these
2133 signs that say, you know, "Need your roof repaired? Call this number." And I'm like,
2134 "Oh, there's - like - that's a job."
2135
2136 Q: Yeah.
2137
2138 A: That's a job application right there. "Hey, I'm going down the road, I got my buddy here
2139 - he's - he's, uh, does roofing, he does this and that," and he goes, "Oh, yeah, yeah,"
2140 and then so I - basically I got him a job...
2141
2142 Q: Huh.
2143

INTERVIEW WITH CONSTANZO
Interviewer: UC
04-20-17/10:40 am
[REDACTED]

2144 A: ...while we're going from the west to the 9th Ward or where ever it was when they had
2145 the - the worst...

2146

2147 Q: Yeah.

2148

2149 A: ...of - of it. Um, we're driving into New Orleans, I give him, like 3 or 4 phone numbers
2150 of people here, college guys, this is his name, and you need this, that, you know...

2151

2152 Q: What...

2153

2154 A: ...and we're, like, dropping him off and then, like I took back off to Arizona...

2155

2156 Q: Hey you're showing up, I got one through, looks like we got a confirmation on that one.

2157

2158 A: Only one?

2159

2160 Q: No, they all....

2161

2162 A: Oh, oh.

2163

2164 Q: One is like confirmed.

2165

2166 A: Oh, yeah, they should - I mean they should all come through at the same time...

2167

2168 Q: Yeah, we got - I think you got a 3 and - we're just waiting on one more? Yeah.

2169

2170 A: No, we got all of them.

2171

2172 Q: That's the thing, I mean, I'm waiting for...

2173

2174 A: No, they're all through. You got three on one and three on the other one and the two

2175 on the other one?

2176

2177 Q: Is that, like, the best?

2178

2179 A: That's what I - that's what I think.

2180

2181 Q: Okay.

2182

2183 A: That was easy?

2184

2185 Q: Yeah.

2186

2187 A: So anyway, so then - I don't know...

2188

2189 Q: Cool.

2190

2191 A: ...after about two or three - maybe a month or two or three weeks, I call - like I got his
2192 phone number even though his phone wasn't working is what it - he had to get it
2193 (unintelligible) - I still had his phone number, and he must have must of kept
2194 (unintelligible).

2195

2196 Q: Let me check on the thing. I don't trust this app, so I like to check and see what the
2197 actual block chain.

2198

2199 A: Sure. Check whatever you want. But anyway, so I call him back and he goes, "Man,
2200 you're the coolest motherfucker I ever met." You know?

2201

2202 Q: You trusted him?

2203

2204 A: Well, and then they go - you know, I went out of my way, you know, get him booked
2205 up, he goes "You know, I got a job, I got a girlfriend now, the girlfriend is the daughter

2206 of - of a guy that I'm working for..."
2207
2208 Q: Oh yeah.
2209
2210 A: ...and he gave me a house to live in, "and he goes "you know, I'll never forget you."
2211 And I go, "Thank you."
2212
2213 Q: Now you got a guy in another state.
2214
2215 A: Right. Right. And you know, I mean it's just - I like going out of my way...
2216
2217 Q: Yeah.
2218
2219 A: ...to help people but on the same token (unintelligible)...
2220
2221 Q: Oh yeah.
2222
2223 A: (Unintelligible) I mean, uh, working at night...
2224
2225 Q: Well that's...
2226
2227 A: ...was the last night.
2228
2229 Q: Yeah. That's the thing, you got large amounts of cash like that and...
2230
2231 A: And then there was another - and then I picked up this other girl, same trip, and I'm -
2232 she's hanging out and I pick her up and then she's got her hand and it's like
2233 bleeding...
2234
2235 Q: Yeah.
2236

INTERVIEW WITH CONSTANZO
Interviewer: UC
04-20-17/10:40 am

2237 A: ...and it's just, like, bleeding all over my - I'm like, "Hey, you know, here's some pape- -
2238 paper towels, we can wrap this up and take you to the hospital or..." and then I, like, I
2239 go to the store less risky, and then she - she's like, rummaging around in my car, I'm
2240 like "Okay, you gotta get out."

2241

2242 Q: Yeah.

2243

2244 A: And so I just went to the nearest - and saw (unintelligible) I didn't realize that was she
2245 was rummaging my car.

2246

2247 Q: Yeah.

2248

2249 A: So I was, like, "Hey, I need to take you to the hospital, but I don't wanna be, you know,
2250 mixed up in whatever she was mixed up in."

2251

2252 Q: Yeah. Huh.

2253

2254 A: And so I was - I went to the nearest - I went to - it was, like, uh rest stop, you know, a
2255 few miles down the road, "Hey, let's go get, uh, you know, something to drink," 'cause
2256 I'm like, you know, "Get out of the car, let's go get something to drink, 'cause I don't
2257 want to have to force you out of the car, you know"

2258

2259 Q: Yeah.

2260

2261 A: "Hey I'll go buy you a soda pop or something." We get out of the car, and then I got
2262 back in the car and say, "hey," I, like, go. What - whoa - whoa. What are you doing?

2263

2264 Man: Don't grab anything.

2265

2266 A: We were talking...

2267

2268 Man: (Unintelligible).
2269
2270 A: Yeah, you're fine...
2271
2272 Q: You're (unintelligible) you're good, you're good.
2273
2274 Man: And so I need to set - set up your (unintelligible) who's here.
2275
2276 Q: (Unintelligible).
2277
2278 A: Okay, oh, oh, oh, oh.
2279
2280 Man: (Unintelligible).
2281
2282 Q: What's going on?
2283
2284 Man: (Unintelligible).
2285
2286 Man: About to (unintelligible).
2287
2288 Q: Yeah.
2289
2290 Man: (Unintelligible)
2291
2292 Q: Exactly.
2293
2294 Man: Yep. (Unintelligible) you're good?
2295
2296 Q: Walking around the building?
2297
2298 Man: Want (unintelligible) this?

410

411 A: Yeah.

412

413 A5: And there's 600 other (cryptos) so...

414

415 A: See what I don't understand is - so we've got the minors who - who, like, the nodes
416 who do the conformation.

417

418 A5: Right.

419

420 A: And that's basically what keeps it all running.

421

422 A5: Sure.

423

424 A: That right?

425

426 A5: Right.

427

428 A: So...

429

430 A5: Well but - the - well you have two things. You have the nodes...

431

432 A: Uh-huh.

433

434 A5: ...which verify the - at the - the transaction. It's like when we do a transaction...

435

436 A: Yeah.

437

438 A5: ...it gets sent out to these nodes. The nodes go - does (Morpheus) in his account have
439 the big coins all the way back to when those big coins were formed.

440

441 A: Yeah.
442
443 A5: And then if he does and all the numbers jive then it sends that out to the other nodes.
444 Then the minors...
445
446 A: But the nodes are run by the minors. Right?
447
448 A5: No.
449
450 A: Okay.
451
452 A5: Separate.
453
454 A: Nodes are different?
455
456 A5: Right.
457
458 A: Okay.
459
460 A5: Separate.
461
462 A: So the nodes will always be there.
463
464 A5: Well the problem is - is you don't get paid to be a node...
465
466 A: Yeah like when the (bic) coins runs out its still gonna probably go up in value 'cause
467 there's none left to mine. But then who's gonna run the nodes if there's no reward for
468 running a node.
469
470 A5: Well the mi- see it's different. The nodes don't make any money.
471

472 A: Okay.

473

474 A5: I think that's a serious flaw in the system. So - but the - and - and - and it ta- it takes up
475 gigabytes of - of data to store the block chain. Well so if you're a node you're running
476 this thing just because you wanna support the network but it's, you know, it's - I've -
477 I'm tempted to do it myself.

478

479 A: Yeah.

480

481 A5: And I can't even download the chain. It just - it craps out every single time I do it. So,
482 uh, I - and then it eats up your bandwidth...

483

484 A: Yeah.

485

486 A5: I mean it - it's not an inexpensive thing to do. So - and then the miners - what they do
487 is they take all the transactions and they put 'em into, uh, they - they put it into
488 (shatcha) 56...

489

490 A: Yeah.

491

492 A5: ...and they go all these transactions - like transaction one, transaction two, transaction
493 three, comma one.

494

495 A: Yeah.

496

497 A5: What's the - (shatcha) 56 for that? Well if it's smaller than the target then it's
498 considered to be solid block and then they transmit that to the nodes and the no- and
499 then they check - everybody checks to make sure that...

500

501 A: Yeah.

502

503 A5: ...it's correct. And then if it is then people move on to the next block.

504

505 A: All right.

506

507 A5: Okay? But the thing is - is that the blocks are gettin' so big that for the bl- there's so
508 many transactions goin' through that the block can't handle it. So then you have all
509 these un- un- uh, what'cha call it? In the, uh, the transactions that go in the memory
510 pool that - the way I overcome makin' sure that my transactions go through is I pay the
511 higher fee.

512

513 A: Yeah.

514

515 A5: But then now you're paying this gigantic fee to make sure your transaction get
516 included in the block. Now if you do \$100,000 who cares? If you're doin' \$0.50 now it's
517 a problem.

518

519 A: Yeah.

520

521 A5: And unless the system can - can work at the small levels, you know, so we can do
522 exchange pennies and parts of pennies...

523

524 A: Yeah.

525

526 A5: ...uh, because everything that's big was small at one time.

527

528 A: Yeah.

529

530 A5: Well if you want to be able to do tipping or something, like, people who write articles.
531 "Oh I wanna give you five cents."

532

533 A: Yeah.

534

535 A5: Or whatever well - or it's just - you wanna sell things that don't have much value.

536

537 A: Yeah.

538

539 A5: But you wanna make it because w- it's like if you owed the - like me with this place
540 Starbucks but if you go to, like, a regular coffee shop and they'll charge you \$2.00 for
541 this coffee. And I go in there - I'm broke. I say, "Hey I'll give you \$1.50." No they won't
542 take it.

543

544 A: Yeah.

545

546 A5: Well that's stupid. 'Cause you're makin' more than the \$0.50.

547

548 A: Yeah.

549

550 A5: And all - alls I got is \$1.50 at least you're makin' a sale and you're makin' some
551 money. Some money is better than no money.

552

553 A: Yeah.

554

555 A5: Part of somethin's better than all of nothin'. Least the last time I checked.

556

557 A: Yeah.

558

559 A5: So but - and so this w- what it leads to is a drive of crisis to go down.

560

561 A: Right.

562

563 A5: And that's what the - that's what the big Hawaiian economy is all about - is about
564 making things - because the government wants everything to cost more.

565

566 A: Yeah.

567

568 A5: Look at - hello. All the dumb shits in the minimum wage. Who wanna have a minimum
569 wage that's \$12 an hour.

570

571 A: Yeah.

572

573 A5: Well guess what? I own a McDonald's. And the price the - it went from \$8 to \$12 or if
574 everybody's fired and everybody's gonna work harder.

575

576 A: Right.

577

578 A5: And then plus I'll get some robots in there to do the work of all the people that I've had
579 to fire...

580

581 A: Right.

582

583 A5: ...and then I don't pay 'em any benefits. I don't have to pay 'em any minimum wage
584 and I don't have to have any, you know, all these dumb shit kids that I have to baby-
585 sit.

586

587 A: Yeah.

588

589 A5: Guess what? What's the net total? The net total is you have less jobs.

590

591 A: Yeah.

592

593 A5: But this is how dumb people are. My girlfriend even voted for that stupid shit. It's like
594 wait a second. She goes well we have to pay people minimum wage. You know I
595 remember when I was a kid - I'm older than you. My first job - I was working at (Fries) -

596 the carry out. The minimum wage was \$2.35.

597

598 A: Yeah.

599

600 A5: But I didn't say to myself, you know, I wanna live on this forever.

601

602 A: Yeah.

603

604 A5: I'm gonna be a carry out for the rest of my life.

605

606 A: Exactly.

607

608 A5: It's stupid.

609

610 A: Yup. Yup. (Unintelligible).

611

612 A5: So if I have a job that maybe doesn't - that maybe I have - I want somebody to sweep
613 the sidewalks and I think it's only worth \$5 an hour. That means I can't hire somebody
614 to sweep the side- that means I gotta do it myself.

615

616 A: Yup. Yup. I don't get it.

617

618 A5: Y- it - it's just - it - it - the government has no business being involved in schools, being
619 involved in marriage, being involved in education, being involved in - in - in - in, uh, in -
620 in employment.

621

622 A: Yeah.

623

624 A5: Their job is to do two things. Protect our rights and make sure that nobody gets in that
625 comes across the border without, uh, you know, some documentation or having some
626 kind of, uh, border protection.

RECORDED CONVERSATION
11-16-16

627

628 A: Yeah.

629

630 A5: Like at your house - you have border protection 'cause you don't want somebody
631 comin' in your house.

632

633 A: Yeah.

634

635 A5: I mean - somebody comes in your house you blow his brains out. You know? But I
636 mean that - these are the two things they're supposed to do and those are the two
637 things they don't do. And it pisses me off.

638

639 A: Well and I hope (bic) point is around forever and I hope that's the new currency. You
640 gotta keep it going.

641

642 A5: There's no hoping. It - it already is.

643

644 A: Yup.

645

646 A5: It already is.

647

648 A: And right now it does what I need. I need to take my cash and I need to get it to
649 somebody without havin' to drive across the country.

650

651 A5: Exactly. I have a guy...

652

653 A: And that's the only way to do it.

654

655 A5: ...right now - his wife is getting a bonus who works for a, uh, a (unintelligible).

656

657 A: I had to deal with cops pullin' me over and tryin' to feed my money.
