JOURNEY WITH US

At the beginning of each new year, we make a bucket list. We write down all of places we want to see or things we want to do...and then we go do them. We've been blessed to learn a lot and meet tons of interesting people along the way. We love sharing our adventures and travel hacks. Traveling for more than a couple of weeks a year was once just a dream. Like many of you, we didn't want to be confined to a time table that dictated when we could travel and what we'd be able to see and do each year. So we broke out on a mission to see the world in our own way and time. Journey with us, here, on the adventure of a life time. Learn how you, too, can become a travel junkie. Discover the best places to see and grab inspiration from our insider guides regarding amazingly cool things to do.

Start making your own bucket list. Here we go...
